

Hello everyone! My name is Seluleko Shongwe and I am a third year Bachelor of Law student as
as a peer counsellor in the University of Eswatini , Institute of Distance Education

I would like to assure you that you have made the right decision by choosing to join us this semester

As an Institution, we are aware that some of you may not be familiar with distance learning

that is why the University has this special and amazing package for you, to help you

understand what is expected and what you are to do

Please stay tuned for the entire package and i do

hope that you will enjoy this experience. Welcome once again and enjoy! Thank you.
